Edwin J. Pina Sr. & Son Inc. D/B/A/ Pina Bus Lines

On behalf of all of us at Pina Bus Lines, we would like to thank all of our faithful clients who over the years have made us the best Bus Company on Cape Cod and the Islands.

Through the years, we have transported a variety of customers from School children, to Senior Citizens

Through the years, we have transported a variety of customers from School children, to Senior Citizens from, sporting events, to the theater. We did our best to provide service to those who contacted us.

Because we have such wonderful customers, we are offering to the first 10 customers (former customers) a **10% Discount** on their next trip in the radius of 200 miles. For the first new customer we will offer a **5% Discount** with the same restrictions.

This is just a small way to say a big **THANK YOU** for the past 40 years.
